

P R E S S R E L E A S E S

During the early 1990s, Lance Winslow initiated the Neighborhood Mobile Watch Patrol program in Thousand Oaks, California. Many of the articles and press releases are available for viewing online. Here are URLs to these articles. The material in these articles can be used to develop press releases for your own Neighborhood Mobile Watch Patrol. Plus, they provide insight into the many people that it takes to organize such a program.
